

Applicant: Raj Mani Misra et al.
Application No.: 09/783,792

REMARKS

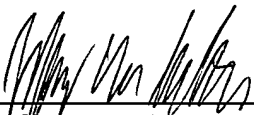

In the office action, claims 6, 7, 10, 11, 21 and 25 were objected to as being dependent upon a rejected base claim, but were otherwise indicated as being allowable. New claim 5 corresponds to prior claim 7, written in independent claim format; claim 6 has been rewritten in independent format; claim 11 has been written in independent format; claim 18 includes the elements of claim 21 and claim 22 contains the elements of claim 25. Accordingly, Applicant respectfully submits that all of the claims are allowable.

Additionally, revisions to the specification and drawings have been made as indicated to make the drawings and specification consistent as mentioned in the office action.

Reconsideration and entry of this amendment is respectfully requested.

Respectfully submitted,

Raj Mani Misra et al.
